Subject: Compiled Comments on CSM
LPRSA Comment Spreadsheet In Progress_Rev4_20140703.xlsx

Jen, attached is the file containing the compiled CSM comments. We color coded the list to help you navigate them (color code is on the second worksheet tab as well as below). There were several comments that seemed to be directed for internal discussion and some that need additional clarification from the commenter.

	Comment edited by CDM Smith
	Comment to be omitted
	EPA internal review or questions for EPA commenter
	NJDEP Comments
	Use original comment

Please contact me if you have any questions.
